

Under Cover: Real Stories of Cover Crop Users

An On-Farm Field Day

Wednesday, Nov. 4, 2020
10 am – 12:30 pm

Hickory Hills Herefords Farm, Lorimor IA

UNDERCOVER

3 miles west of Lorimor on REA Rd, 1/4 mile west on 120th St, 1-1/2 miles south on Grand River Dr.

Want the real scoop on cover crops? Are you interested, but still have questions? Join us for a farmer meeting where several local users of cover crops will share their experiences. These farmers have many years of combined cover crop use and are ready to spill on how and what they seed, how they terminate, how to plant into cover crops, lessons learned, and effects on crop yield, weed pressure, and soil fertility & health. We will also demonstrate some soil health and quality tests that you can try on your own fields.

Speakers:

Randy Gamble, Winterset

Doug Gross, Lorimor

Dennis Lundy, Fontanelle

Jon Peterson, Lorimor

And several other "mystery speakers" (dependent on harvest progress)

A complimentary meal will be served after the program. There is no charge for this event, but please RSVP for meal counts to Union County Soil & Water Conservation District, 641-782-4218 ext. 3.

COORDINATED BY: THE NORTH THOMPSON RIVER WATERSHED PROJECT/ADAIR, MADISON & UNION SWCDs

If accommodations are needed to participate in this event, please contact Jodi at 641-782-4218 before Oct. 31. USDA/NRCS and Adair, Madison, & Union SWCD are equal opportunity employers, providers, and lenders.
