 (Quarter) (Section) (Township)

 (Quarter) (Section) (Township)

 (Quarter) (Section) (Township)

PRACTICE REQUESTED:
 Cover Crops
 Nitrification Inhibitor
 No-till
 Strip-till

WQI cap =
160 acres/applicant
 for each practice

IFIP cap =
100 acres/applicant
 for cover crops

Note:
 With the exception of *Cover Crops*, only first-time users are eligible for these practices.
 Previous users of cover crops are eligible to apply, and will only be approved if funds are available.

By submitting this application, I understand that it is subject to the eligibility requirements of the program; that any practices completed with cost share will be bound by a maintenance agreement; and I grant SWCD representatives the right of ingress and egress to my land for conservation planning purposes.

 and
www.cleanwateriowa.org

NOTE: All WQI Statewide management practices are for one year only and the applicant must sign the **Residue and Management Practices - Practice Maintenance Agreement and Eligibility Certification form**.

Additional information for Multi-Year Cover Crops (funded by IFIP):
 If an applicant signed up to do a cover crops for multiple years and decided not to do it for the full term specified in the maintenance/performance agreement, the landowner would be required to pay back the entire cost share amount. It is not prorated for the number of years the practice was used.
